

## Reinsurance Coverage Declaration

We herewith confirm that Munich Re is reinsuring the Sales and Buyers Insurance Policy (ASUZJ1091324QAAAAA4P) which was issued by China Pacific Property Insurance to:

DAS Solar Co., Ltd (DAS Solar)  
Quzhou, Zhejiang Province, China

The Sales and Buyers Insurance Policy is a Back-Stop for DAS Solar's Limited Warranty and protects both the manufacturer and the Buyers of insured photovoltaic modules. Modules that were sold during the Policy Period of 20.03.2024–19.03.2025 are eligible for insurance. Please be aware that not all modules sold by DAS Solar during the above mentioned Policy Period are covered by the insurance, but only those that were successfully reported to Munich Re

The terms and conditions have been agreed upon, which include:

- Insurance limit of 5% dedicated exclusively to each PV project / Buyer (no "first-come-first-serve")
- Insurance Program insures DAS Solar's Limited Warranty, including Product Defect and Performance Output
- Significant insurance limit for 25-30 years which does not decrease in later years and is non-cancellable (coverage persists even if DAS Solar becomes insolvent)
- Minimum size per project 2MW and minimum deductible of 200,000 USD per claim
- DAS Solar's customers, whose panels have been registered with Munich Re, benefit from an insurance-backed warranty in case of DAS Solar insolvency or bankruptcy.
- Deductible does not erode the insurance limit
- Immediate coverage (no waiting period)
- PV projects are qualified for additional Munich Re insurance (Top-Up Cover / Option Cover)
- Reinsured with a strong capital base: A.M Best **A+**; S&P **AA-**

We recommend that Buyers request a Beneficiary Declaration Letter issued by Munich Re to confirm and verify that their panels have been registered with Munich Re (through a request to DAS Solar).
